

SWP-WebMonitor

Nahost/Nordafrika

Nr. 30/2024

SWP-Informationsservices

Jürgen Rogalski, 07.05.2024

Der SWP-WebMonitor Nahost/Nordafrika ist ein unentgeltliches, kompaktes Informationsprodukt mit ausgewählten Hinweisen auf aktuelle Stellungnahmen, Dokumente und Analysen zu allen (außen-) politisch relevanten Fragen und Entwicklungen der Region. Bei allen Titeln gibt es einen Link, meistens direkt zum Volltext. Grundlage der Erstellung ist ein überwiegend festgelegtes Set an Quellen: Webseiten, Blogs, Zeitschriften etc. Der Auswahl-Fokus liegt neben Dokumenten auf wissenschaftlichen bzw. wissenschaftlich basierten Beiträgen. Neben Titeln mit konkretem Länder- bzw. Regionalbezug werden auch solche berücksichtigt, deren Thematik relevant ist für die Region. Der WebMonitor wird i.d.R. ein- bis zweimal wöchentlich erstellt, nicht aber bei Abwesenheit des Bearbeiters.

Yes, it is genocide

Amos Goldberg

"In most cases of genocide, from Bosnia to Namibia, from Rwanda to Armenia, the perpetrators of the murder said they were acting in self-defence. The fact that what is happening in Gaza does not resemble the Holocaust, writes Holocaust scholar Amos Goldberg, does not mean that it is not genocide ..."
