

SWP-WebMonitor

Subsahara-Afrika

Nr. 28/2024

SWP-Informationsservices

Jürgen Rogalski, 30.04.2024

Der SWP-WebMonitor Subsahara-Afrika ist ein unentgeltliches, kompaktes Informationsprodukt mit ausgewählten Hinweisen auf aktuelle Stellungnahmen, Dokumente und Analysen zu allen (außen-) politisch relevanten Fragen und Entwicklungen der Region. Bei allen Titeln gibt es einen Link, meistens direkt zum Volltext. Grundlage der Erstellung ist ein überwiegend festgelegtes Set an Quellen: Webseiten, Blogs, Zeitschriften etc. Der Auswahl-Fokus liegt neben Dokumenten auf wissenschaftlichen bzw. wissenschaftlich basierten Beiträgen. Neben Titeln mit konkretem Länder- bzw. Regionalbezug werden auch solche berücksichtigt, deren Thematik relevant ist für die Region. Der WebMonitor wird i.d.R. ein- bis zweimal wöchentlich erstellt, nicht aber bei Abwesenheit des Bearbeiters.

THE STRUCTURE OF VIOLENCE: STATES, OFFICIAL MILITARIES, PARAMILITARIES, AND NON-STATE MILITIAS IN THE NORTHERN HORN OF AFRICA

STEVEN SERELS

"In Sudan and Ethiopia, official militaries are currently fighting against paramilitaries and non-state militias that, previously, had been important battlefield allies. The ongoing violence does not reflect a breakdown in the political order. Rather, these conflicts are the direct result of the persistence of a centuries-old regional military-political system created by unstable states with incomplete control over their official militaries. ..."

Buchhinweis/Neuerscheinung:

Zanzibar Was a Country - Exile and Citizenship between East Africa and the Gulf

Nathaniel Mathews

"... traces the history of a Swahili-speaking Arab diaspora from East Africa to Oman. In Oman today, whole communities in Muscat speak Swahili, have recent East African roots, and practice forms of sociality associated with the urban culture of the Swahili coast. These "Omani Zanzibaris" offer the most significant contemporary example in the Gulf, as well as in the wider Indian Ocean region, of an Afro-Arab community that maintains a living connection to Africa in a diasporic setting. ..."
